

2nd NRN Meeting: Starting-up NRNs 12-13 May 2015, Jurmala, Latvia

Draft Agenda

In the context of the RDPs being launched and NSUs drawing up their intervention logic and action plans, it is important to start thinking about specific elements of their implementation. The objectives of the 2nd NRN meeting are:

- To help NSUs **plan specific activities** in line with their action plans, ensuring these contribute to the main networking objectives;
- To exchange ideas about specific NRN tasks and identify **relevant practices** from other Member States;
- To exchange on the role of NRNs in fostering **innovation**;
- To help to identify **appropriate indicators** (especially result indicators) to assess the effect of activities;
- To discuss how should EU Networks support NRNs in their activities and vice-versa
