

Lamba ja kitsekasvatajate koolitusreisid –
kogemus korraldamisest ja õppimisest
Katrín Tähepõld ja Ell Sellis, konsulendid
Pärnu, 2020

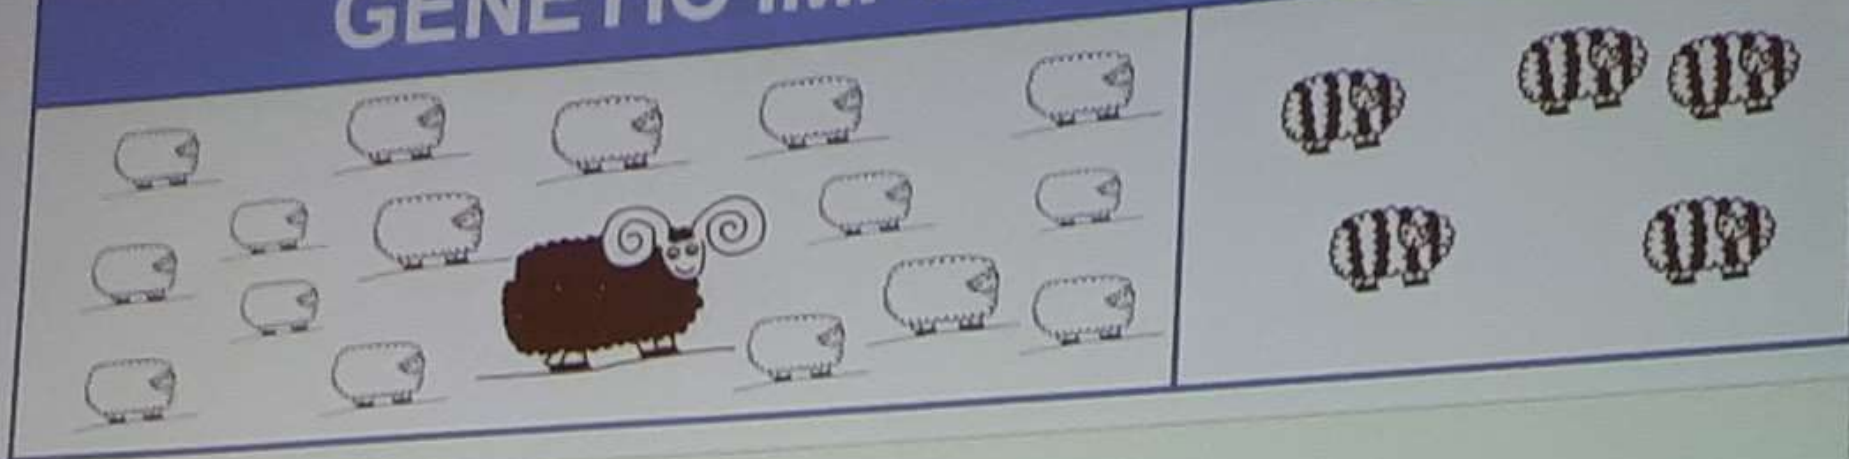

GENETIC IMPROVEMENT

- **Potential capacity** to produce
- It is **transmitted** to next generation
- It **doesn't change** once the animal is born

- **Results** are seen in **next generation**
- **Males** gens transmission is very important
- **Cumulative**
- **Collective work**
